PROFILE

Shift lead and volunteer coordinator with experience resolving customer issues, training colleagues, documenting repeatable processes, and organizing schedules. Interested in applying these skills to customer success.

SKILLS

- Customer communication and issue resolution in a busy service setting
- Process documentation and practical training materials
- Schedule coordination and follow-up across changing priorities

EXPERIENCE

Shift Lead 2022–2024

Harbor Café

- Resolved customer complaints in person and documented recurring issues for the owner
- Created a starter checklist and trained 12 new colleagues through demonstrations during their first two weeks
- Introduced a handoff checklist covering stock, special orders, and unresolved customer requests; weekly logs showed fewer order remakes over the following three months
- Coordinated daily work for an eight-person shift team

Volunteer Coordinator 2021–2023

Westside Library

- Coordinated weekly schedules for 15 volunteers across reading events and community workshops
- Wrote reminder messages and handled last-minute changes
